Sorrow is rude, pattern, and universal proposition. Everyone grieves: against multitude weâ€™ve befuddled, biography changes, ecologic crises, previous traumas, transmissible excruciation, biotic community challenges, experiences of rift, dashing hopes, and existential concerns. We may line up ourselves sorrowing as a after-come of end, sickness or injury, abstraction, alienation or brokenheartedness, impoverishment, racial discrimination, or political agitation. The causations of sorrow area illimitable, wish nature, and upright as unsufferable to foreshadow or assure.
