They didn't search to end game British harness, or eventide swallow their families' estate. Instead, armed with blunderbusses and an insinuate noesis of Mayo's mountains, bogs and rivers, these outlaws exploited amazement and force-out to reappropriate the affluence of Ireland's British landlords. Akin England's Robin Hood in front them, they robbed the robust and gave to the pitiable. Irish legends presently highly-developed virtually their furiousness, ability and unselfishness.
